

I can go to the toilet.

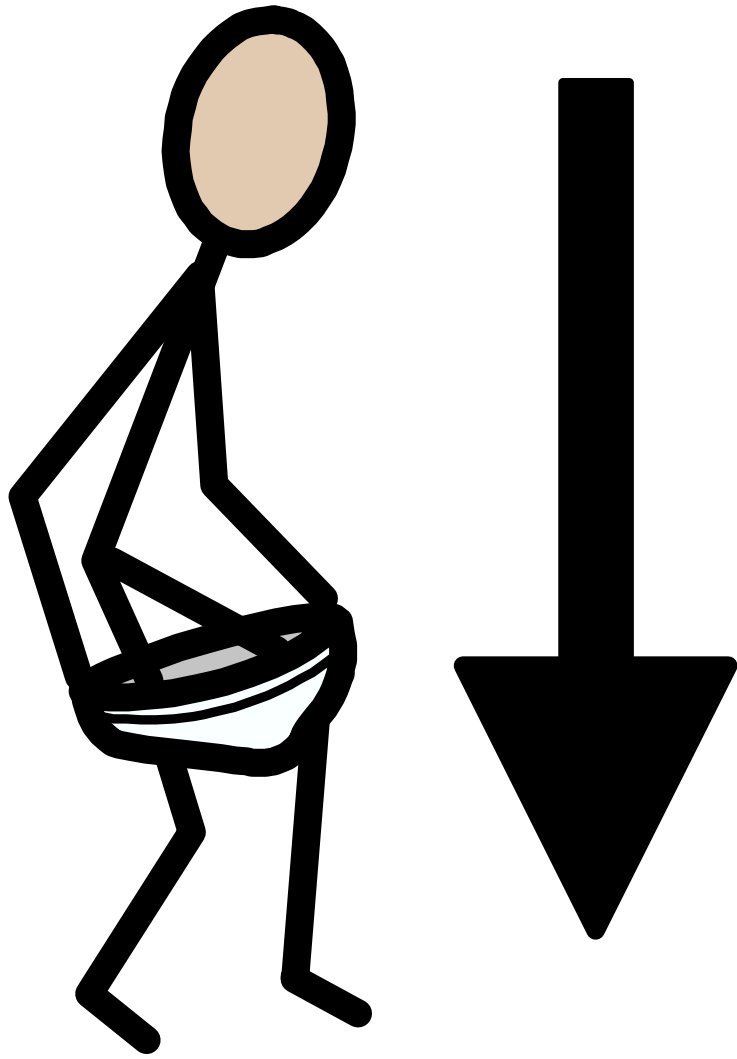

I do not need to wear my nappy
any more.

I can now wear pants. I can choose
which pants I want to wear.

When I need to go for a wee
or a poo I need to say "toilet".

I pull my pants down.

I stand if I want to do a wee.

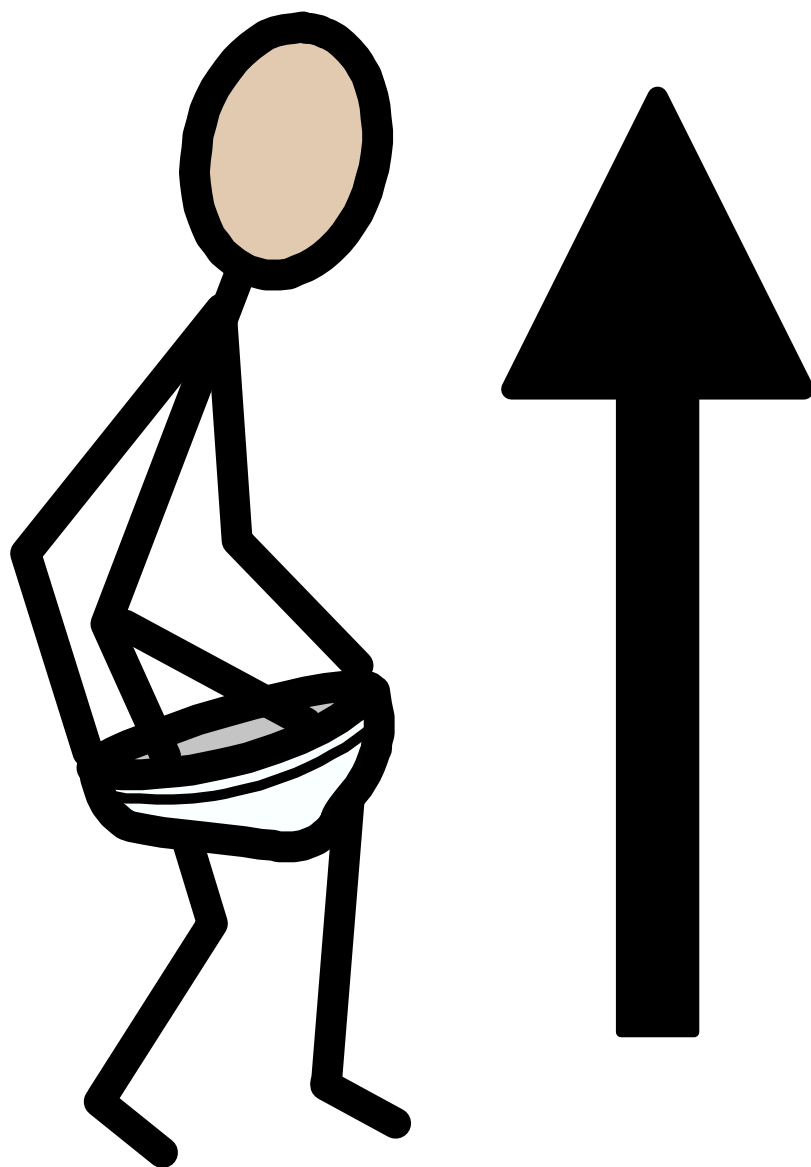

I sit if I want to do a poo.

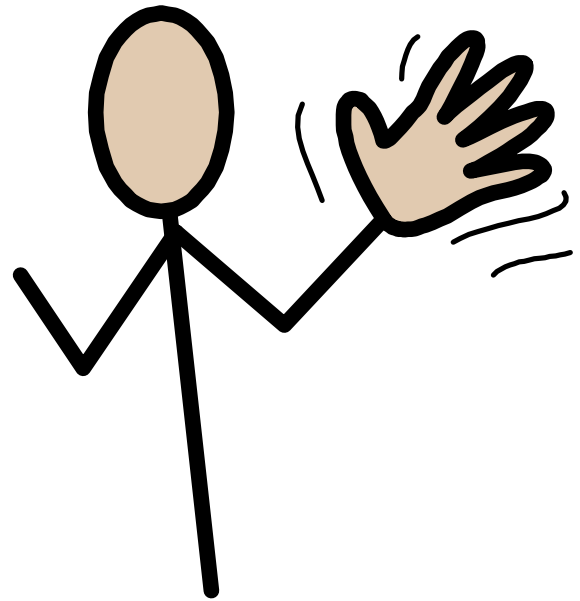

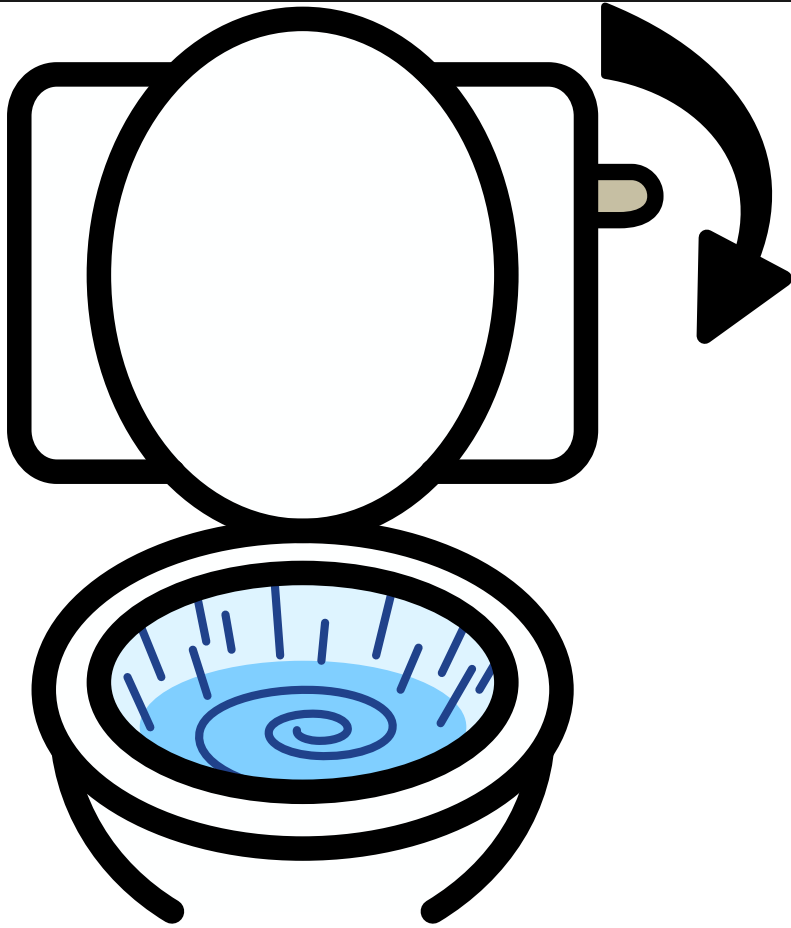

I sit on the toilet to do a
wee or a poo.

Then I wipe and put the
toilet paper in the toilet.

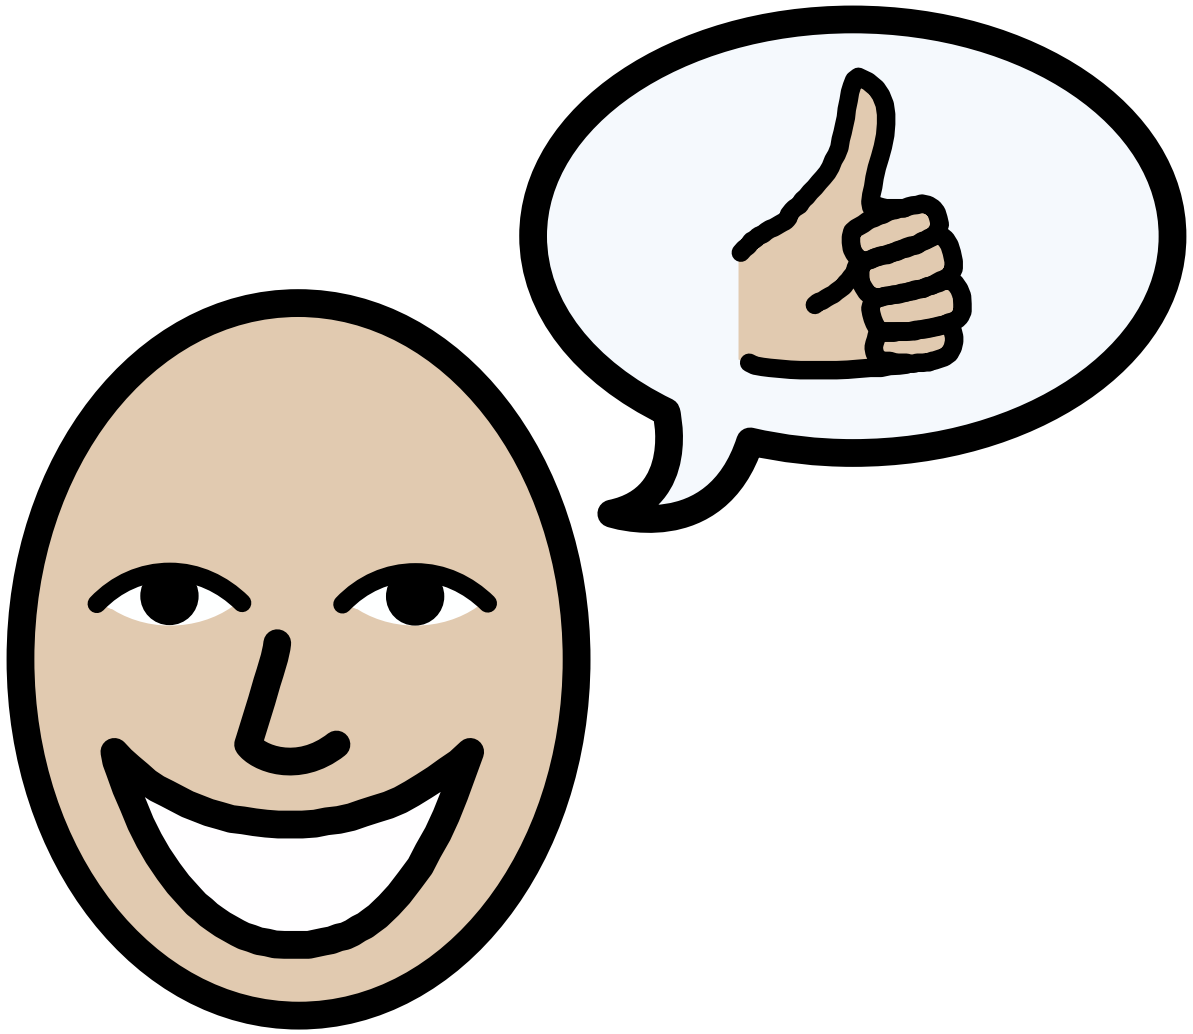

Next I pull my pants up.

I flush the toilet. 'Bye bye wee,
bye bye poo'.

Last I will wash my hands with
soap and water.

I can use the toilet. Well
done.
